### Percent Change in Median Home Price Housing

### Median Home Price for Upper Valley Lake Sunapee Region

#### **Metric:**

From 2005-2012, the Median Home Price increased by 1% from \$208,000 to \$210,000.

#### **Geography:**

Upper Valley Lake Sunapee Regional Planning Commission region

#### **Summary:**

This metric reflects the median purchase price for home sales in the Upper Valley Lake Sunapee region. It shows almost no impact on home prices by the recession of 2006-2008, and in fact house prices have risen since 2000, which is remarkable.
