

UVLSRPC Regional Plan: Your Regional Future

Public Outreach Event

Lebanon/Hanover Football Game – October 12, 2012

The Lebanon/Hanover Football Game was on a windy, cold Friday night. A total of 27 people participated in at least one of the two opinion surveys. Residents from the UVLSRPC region who participated in the surveys were from Enfield, Grantham, Lebanon, and Lyme.

VISUAL PREFERENCE SURVEY

The Visual Preference Survey gave the participant the opportunity to identify his or her personal preference on a range of topics related to land use and planning. There were four different categories: Transportation, Housing, Town Centers, and Landscapes. The participant would review eight (8) photos in each category and would select the three photos he or she preferred. The following results were tabulated from this event.

OPEN RESPONSE SURVEY

The Open Response Survey posed the question, “What is most important to you in your community?” Participants were invited to write responses about aspects of their communities they valued and ranked them from most important (#1) to less important (#5). They then placed each response according to the corresponding ranking areas on the magnetic board. The following fields provide a summary of the responses recorded during the Lebanon/Hanover Football Game.
